**Minutes** of the August 2006 meeting read Accepted: Sue Cale Seconded: Steph Davison

**Business Arising from previous minutes;** Nil

**Reports:**

**Treasurer's Report** -see attached report

**Secretary's Report** -Incoming correspondence circulated.

**Principals Report** -See attached

Proposal was received and presented by Julie on behalf of Jim Phelps (Music Teacher) asking the P & C to consider funding the purchase of 10 roll-up keyboards to assist teaching musical concepts. These were considered as they are much cheaper and easier to store than conventional keyboards and much more student friendly than glockenspiels.

**Motion:**

*That the P & C fund to the amount of \$500.00 the purchase of 10 roll up keyboards for the school music department.*

Proposed: Sue Cale Seconded: Steph Davison

Motion Carried

**Canteen:** Friday opening for morning tea is now going well although extra volunteers are needed. Popcorn stand will arrive shortly for trial. Party Pies on a Friday are popular. Kindergarten to have a line of their own (signage to be done). Possibility of moving a table outside in fine weather with packaged chips to be considered. School newsletter will carry reminders to people rostered to staff canteen in coming weeks.

**Fund Raising:** A very successful Father's Day Breakfast was held with over 381 meals served. Thanks to local businesses for their fabulous support both in the way of food stuffs and prizes. It is expected that this event will raise over \$1900.00 although final receipts are still to be tallied.

No other reports were presented.

**General Business:**

**Toilets:** Meeting discussed current problems being experienced with regard to toilets and students mistreatment of the facilities and the effect this was having on the younger children. Staff to consider options and discuss behaviour at assembly.

Meeting closed: 9.05pm
